**BIPOLAR INSIGHTS / Mental Health Educational Center**  
**18<sup>th</sup> Anniversary Fundraiser**  
Educational Center for Individuals, Families, and the Community

Dear friends,

We all know someone – a friend, family member, colleague – whose life has been affected by a mental health issue. The more we talk about mental health, the more we help others talk about it too. And the more we all talk, the more we can help erase the stigma surrounding mental health issues and help those who may be afraid to seek support.

That's why I am asking you to be a part of the conversation by helping Bipolar Insights / Mental Health Educational Center 2016 Fundraiser.

Bipolar Insights / Mental Health Educational Center helps thousands of men, women, children, and families access life-changing – and life-saving – resources when they need it most. Our Reach Out services, classes and programs are people-centered and recovery-oriented, which means they help each individual they serve achieve their personal goals and lead independent, healthy lives.

Our goal for 2016 is to raise \$10,000 to support critical services. I am hoping you will help us reach this goal by making a tax-deductible donation to our campaign. You can donate online at [bipolarinsights.com](http://bipolarinsights.com), or if you prefer, you can mail a check made, payable to Bipolar Insights, to 897 Union Street, Placerville California 95667.

Your support means so much to the people we serve. With you on board, that's one more voice talking about mental health. Thank you for joining the conversation.

Sincerely,

Marcia Rose Founder, CEO
